MESSAGE OF THE MW GRAND MASTER

To our distinguished and honored guests, friend and brethren all:

It is with a great deal of pleasure and pride that I welcome each and every one of you to this Thirteenth Annual Communication of the Grand Lodge of Alaska.

To my Alaska brothers: Your confidence in electing me as Grand Master is the highest compliment and honor that can be paid a Mason. I hope that the actions taken by me this year will be remembered as those of a Grand Master with deep concern for our craft.

To our guests: It is our hope that you enjoy our hospitality. We Alaskans tend to be an informal group. We are small in number but I pray that you find us large in heart. Should you need anything, please ask. When you return home, do give our sincere fraternal greetings to the Brethren in your Jurisdiction.

NECROLOGY

Our Grand Lodge has suffered a great loss in the death of our Past Grand Master Glen Pruett and VW Robert Parkins. Their leadership, warmth and love of the Fraternity and brethren will be long remembered.

This is always the saddest part of any Grand Lodge Session. Sixty of our brethren have joined the Supreme Architect of the Universe during this past year. We will miss all of them and share with their families their great loss.

The Necrology Report will be given later in this Session with prayers for our departed brothers given by our Grand Chaplain, VW William Lefferson.

STATE OF THE CRAFT

My brothers, this Grand Lodge is growing. The past year was a year of visibility and education for our Grand Lodge. The Warden's Retreat was successful and will be continued by popular request.

The Grand Lodge Line Officers have worked as a team. I have been ably assisted and have benefited greatly from our collaboration.

The smaller Lodges have had to struggle to continue operations but somehow they are holding their own. The larger Lodges continue to flourish and it is always a pleasure to visit and see Masonry vital and growing.

If we practice Masonry in our lives - and are visible in the community but our deeds - Masonry and our membership will grow and prosper.

Again we continue to honor our commitment of no deficit spending.

INFRACTIONS

I am advised by the Charters and Dispensations Committee that Tongass Lodge, U.D. inadvertently violated the Code in two specific incidents. (1) A candidate was accepted for membership in their Lodge who had not lived in the Ketchikan area for one year prior to the time he petitioned the Lodge. (2) The Shrine organization was recognized and honored erroneously during a State Communication.

The first infraction was not detected until after the degree work had been performed. The candidate was a long time resident of Alaska. Tongass Lodge, UD has been admonished for both irregularities. I heal their errors.

VISITATIONS

Outside visits were made to the Grand Lodge of Washington, Oregon, California, Nevada, New Mexico and New York.

I thoroughly enjoyed my visits to the Lodges throughout Alaska. The visitations were the highlight of my year and the reception much appreciated by myself and Frances. Thank you Grand Lodge Officers, Deputies, Committeemen and brothers who traveled extensively with me. Your unselfish commitment is much appreciated.

RECOMMENDATIONS

1. That this Grand Lodge continue their association with the Conference of Grand Masters. The Grand Master's Conference provides opportunities to exchange ideas with other Grand Officers and discuss mutual problems. It provides an opportunity for Grand Officers to acquire more information and insight into the cooperative achievements of American Freemasonry.

2. That two separate Grand Lodge Travel Funds be created. One would be used to assist travel for elective Officers. The second fund would be used for future travel. Only interest would be used for travel from the second (permanent) fund. Donors would have the option of deciding which funds they want their donations to go into and/or how much to go into each fund. Once established, we would not depend on Grand Lodge savings to fund Grand Lodge travel.

3. That the Grand Lodge of Alaska continue its work in establishing Masonry in Eastern Russia.

4. That the term of office for the Grand Master in Alaska be changed from one to two years. This is a custom used in other Grand Lodges to ensure stability and to reduce operations costs.

The purpose of this recommendation is to enhance the abilities of the Grand Master, elective officers and committeemen to plan, develop, and make long term plans rather than adopt quick fix solutions from one administration to another.

A biennial Communication would save the Grand Lodge nearly \$3,000 every second year. It would reduce the number of proceedings that have to be prepared and published. It would relieve the Grand Secretary every other year of an immense amount of preparation prior to Grand Lodge.

With a two year term of office, an Annual Communication would be held at mid term for the purpose of adopting an annual Budget and other necessary business. Appointed officers and committeemen would be installed each year.

5. I feel that too much emphasis has been stressed in the past, on our part, in the agreement not to "unduly influence" any Washington Lodge in Alaska to transfer to the Grand Lodge of Alaska. This agreement has been interpreted by many that these Lodges should be left entirely alone. I would encourage the Grand Lodge of Alaska to work closer with our Southeastern brothers for mutual fellowship and better understanding.

6. That the Finance Committee be empowered to use a portion of their investing funds to assist Lodges in their building programs. Loans from investment capital to Alaska Lodges would greatly benefit our fraternity. Such loans, adequately secured, would still accrue income to our Permanent Fund.

APPRECIATION

I would like to thank our Past Grand Masters for their advice and guidance (sometimes taken, but always considered) throughout the past year. They are a group of Brothers who show continuous interest in our Grand Lodge and of the welfare of the Fraternity.

I commend our Canadian brothers who support and maintain White Pass Lodge. We also recognize all brothers who attend other small Lodges in order that they may be active and continue as a part of our Grand Lodge.

The unsung heroes of Masonry are the Worshipful Masters of the Constituent Lodges. They quietly, day by day, take the lead in their respective places by example and hard work.

Our Grand Secretary warrants special thanks for his hard and never ending work on behalf of the Grand Lodge of Alaska. RW Brother Bender has a wealth of information and a source of good advice. He has always been available when called upon.

We recognize the dedicated Brethren from other Jurisdictions that traveled to Alaska to further strengthen the bonds of brotherly love and friendship.

Special thanks are due the Arrangements Committee, chaired by W Anthony "Tony" Johnson, with the able assistance of our Grand Secretary, RW Richard Bender. We also thank the Worshipful Master, Secretary and members of Mt. Verstovia Lodge No. 18. These brothers have worked long and hard to make our Communication a success and your visit with us an enjoyable experience.

In the words of the late Sheldon K. Blank, Grand Master of New York, "I encourage each of you to be proud that you are a Mason. Tell your family and your friends about this great Institution. Take our Masonic principles into your daily lives."

To the new Grand Master, I pledge my full support and wish him well in all his endeavors.

Last, but not least, my understanding Lady Frances, your encouragement, love, patience and suggestions has indeed helped make the past year a rewarding experience.

Fraternally,

John H. Grainger
Grand Master

ANNUAL REPORT OF THE GRAND SECRETARY

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Alaska::

The following report is submitted pursuant to Section 3.05 of the Alaska Masonic Code.

As I near my fourth Annual Communication, it is time to make my annual report of the activity of the Grand Lodge Office and the condition of the Constituent Lodges in Alaska. Again this year, I offer my thanks to the Secretaries of the Constituent Lodges. Many of these brothers work overtime to keep the records of their Lodges accurate. As I have said in the past, my enjoyment of this job is due in a large part to the good work of the local Secretaries. Thank you brothers for your hard work and dedication.

Although our Annual Communication was two months later than in past years, the calendar was still a major problem in the preparations for our Annual Communication. I was called out of town for two weeks in January on a family emergency and was not around to "encourage" the secretaries to get their paperwork in by the deadline. As required in Section 15.08 of the Alaska Masonic Code, I must report that six Lodges did not submit their End-of-Year Reports by the January 10th deadline. However, they were submitted by the February 1st deadline at which time they could have been assessed a penalty.

In looking at the Status of Lodges, I make the following observations. The deaths were up considerably from last year. This was offset by fewer NPD's and Dual Members were up slightly. The net loss was much lower than it has been in the past. This difference is partially attributed to the addition of Tongass Lodge UD. We continue to have the same problems as other Jurisdictions but our losses are lower than many Jurisdictions. I would like to congratulate the brothers of Adak Lodge No. 14 for an outstanding year. Fifty-five degrees conferred and 15 Proficiencies is excellent work from a Lodge that was struggling to fill the chairs just a few years ago. Unfortunately, with the military cutbacks, this may be the Lodge's way of "going out with a bang." We will see what the future brings for our farthest West Lodge.

The Warden's Retreat continues to grow. Although we had a lower participation than the first year, those who attended came away with feeling of satisfaction about what they had gained. These weekends are an ongoing part of Lodge Management Education. If you have attended one Retreat, that is not the end of the training. The Wardens and Senior Deacons in the Lodges should be encouraged to attend each year as the sessions will change and new material will be presented.

Once again, the Lodges of Alaska answered an appeal for Disaster Relief from the Masonic Service Association. This time it was in response to the terrible rains and flooding in the Midwest this past summer. A check for \$9,780.00 was sent from the Lodges and individual contributions. According to MW Dick Fletcher of the MSA, Alaska has the distinction of having the highest per capita donation in the country. Keep up the good work brothers. That's part of the reason why we are here.

For the past number of years, our Permanent Fund and General Savings has been invested in Certificates of Deposit. With the decline in interest rates, the rates on Certificates of Deposit have been very low. As these Certificates of Deposit matured, they were placed in our existing Savings Accounts to allow the Finance Committee access to these funds as they seek ways to reinvest this money at a higher rate of return.

This past October, the last of our CD's came due and they were closed out. Our Permanent Fund and General Savings were reinvested in Dean Witter Accounts to increase our rate of return. Our dividend from these investments for the last two months of the year was well over the interest earned on these accounts for the first 10 months of the year.

I cannot end this report without offering my thanks and appreciation to a few people. The Grand Master, Deputy Grand Master, and Grand Wardens have always been helpful when asked. A special thanks to the brothers of Glacier Lodge No. 10 who "volunteered" to help with the mailing of the Grand Lodge Bulletin. Finally, I say thank you to my wife Linda and my daughter Kate who play answering service at home. To both of them, I say thank you for your help and support.

Sincerely and Fraternaly,

Richard D. Bender
Grand Secretary

To Amend Sections 30.09, 27.01, and 29.01 of the Alaska Masonic Code

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Alaska:

STATEMENT OF PURPOSE: To provide an alternate procedure for Masonic Charges in the event a brother has been convicted of a felony.

RESOLUTION:

WHEREAS, a Masonic Trial is often divisive in the harmony of a Lodge; and,

NOW, THEREFORE, BE IT RESOLVED, that Section 30.09 of the Alaska Masonic Code which now reads:

JUDGMENT OF CIVIL COURT AS EVIDENCE. A judgment of a civil court in a criminal proceeding is prima facie evidence that a criminal act has been committed, but it is not conclusive evidence of the guilt or innocence of an accused when tried by a Lodge or Grand Master's Trial Committee on a charge which requires proof of the same act. For the accused to be judged guilty, the Lodge or Committee must find that the act was proven or admitted by a plea of guilty in the criminal proceeding.

be amended to read:

JUDGMENT OF CIVIL COURT AS EVIDENCE.

1. A judgment of a civil court in a criminal proceeding for a misdemeanor is prima facie evidence that a criminal act has been committed, but it is not conclusive evidence of the guilt or innocence of an accused when tried by a Lodge or Grand Master's Trial Committee on a charge which requires proof of the same act. For the accused to be judged guilty, the Lodge or Committee must find that the act was proven or admitted by a plea of guilty in the criminal proceeding.
2. **Whenever charges are based upon a conviction of the accused by a State or Federal Court of competent jurisdiction for a crime which is a felony, a court-certified copy of the final judgment of conviction entered therein and the sentence imposed thereon shall be supplied by the person who prefers the charges and shall be conclusive evidence of the crime of which the accused was convicted, and the accused shall be notified in writing accordingly. Such**

cases shall be referred directly to the Committee on Grievance and Appeals. The accused shall be given twenty (20) days after his receipt of notice of the charges to forward to the Committee on Grievance and Appeals any written statement or evidence in explanation of or in mitigation of the offense of which he stands convicted. The Committee on Grievance and Appeals shall consider the certified record of conviction and the accused's response thereto and shall determine, with the approval of the Grand Master, the penalty, if any, which shall be imposed.

and, BE IT FURTHER RESOLVED, that Section 27.01 of the Alaska Masonic Code which now reads:

SERVICE OF COMPLAINT OR CHARGES. When the original jurisdiction of the Grand Lodge is invoked by the filing of complaint or charges with the Grand Secretary, he notifies the Grand Master and causes a copy of the complaint or charges to be served upon the party or parties complained against.

SERVICE OF COMPLAINT OR CHARGES. When the original jurisdiction of the Grand Lodge is invoked by the filing of complaint or charges with the Grand Secretary, **unless the procedure in Section 30.09(2) is used**, he notifies the Grand Master and causes a copy of the complaint or charges to be served upon the party or parties complained against.

and, BE IT FURTHER RESOLVED, that a new paragraph be added to Section 29.01 of the Alaska Masonic Code to read:

Such cases shall be referred directly to the Committee on Grievance and Appeals. The accused shall be given twenty (20) days after his receipt of notice of the charges to forward to the Committee on Grievance and Appeals any written statement or evidence in explanation of or in mitigation of the offense of which he stands convicted. Masonic Research and Education

Most Worshipful Grand Master, the Committee on Masonic Research and Education does not have a written report. I'll give a verbal report, such as it is. Brethren, we have continuing efforts in education through the purchase of Masonic literature. We make it available to you at less than the market price, if you were to buy it direct from McCoy Publishing or Masonic Service Association. We have these books available for you outside on the table. Please avail yourself of this Masonic education. It's there for you, not for anyone else. So take advantage of it.

Respectfully submitted,

Leslie R. Little, Chairman.

Masonic Public Relations

Due to audio recording problems on the second day of Grand Lodge, no audio recording made of the Report of the Masonic Public Relations Committee and no written report was submitted.

Public Schools

Most Worshipful Grand Master, Brethren all, as your Public Schools chairman for the past year, I submit the following report.

Letters were sent to each and every one of the Masonic Lodges in Alaska outlining programs that might be used to support our public schools and increase communication and association between our schools and Lodges, to pledge to them our support and our confidence. Our children are the future and hope of our nation. Our technology, which has made America a world-leader in the past, should be sustained. It would behoove all the people of our country to assist in maintaining the highest level of education in our system that we might continue our democratic leadership in the world of tomorrow.

Letters were sent to many other Jurisdictions regarding their school programs, and I regret to say that the response I received was disappointing. Of those who replied, some had excellent programs, scholarships, and so forth. Some had no program at all, and some complimented us on what we are doing. Maybe I bragged on Alaska too much. This concludes my report.

Respectfully submitted,

Arthur A. Rindahl, Chairman
Stanley Woodin

DeMolay

Due to audio recording problems on the second day of Grand Lodge, no audio recording made of the Report of the DeMolay Committee and no written report was submitted.

Bylaws

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Alaska:

We the Committee on Bylaws to whom it was referred bylaw changes for three Lodges and new bylaws for Tongass Lodge UD, find the bylaw changes in two of the Lodges to be in acceptable order and form. Bylaws for Tongass Lodge are in acceptable order and form. Bylaw changes in one of the Lodges is not in an acceptable form. The Committee has processed the bylaws and changes in an expeditious manner. We, the Committee, thank the Grand Lodge Secretary and the Lodge Secretaries for their timely submission of the bylaws and their changes and the new bylaws to the Committee.

Most Worshipful Sir, it has been a pleasure to have served you and our Grand Lodge in this assignment during the year as your year as Grand Master.

Respectfully submitted,

Our condolences go to the family and friends of each of these Brethren

They may be gone from us, but they are not forgotten.

Most Holy and Glorious Lord God, in this sacred moment, as our thoughts are directed to the fact that several of our Brethren received their eternal summons from Thee; Brethren who labored among us, who labored well; Brethren who sought to exemplify by their lives the fact that they had learned the teachings of Free Masonry; Brethren who patterned their lives after the teachings of the Great Lights of our Institution, we pause reverently before Thee in this sacred moment to pray that the Holy Spirit will give us the sense of appreciation of their lives who have now received the words.

“Well done, though faithful servant. Thou hast been faithful over a few things; I will make you ruler over many things.” We pray, Oh, God, that we will become better Masons because we have known them. We pray that we will pattern our lives after their examples and seek to show those ‘round about us that... (recording of audio missing)

We thank Thee, Oh God, for these sacred memories, and we pray the memories these men leave behind us will be cherished as much as by those who follow us as we cherish the memories of those who have preceded us. In the Name of Him who came to give victory over that which is mortal and to give us that which is immortal, do we pray,

Amen.

Special Memorial Report-MW Glenn W. Pruett, PGM

Like a ship that has left its moorings and sailed calmly out to sea, so someone dear has passed away. But, there is a promise of a greater joy than life can have in store, for God has promised us a fuller life beyond that unseen shore.

This tribute is to William Glen Pruett, Grand Master of this Jurisdiction in 1985. It has been said many times, “I never met a person who didn’t like Glen Pruett.” Glen was a 49-year resident of the Great Northern Interior of Alaska, more especially Fairbanks. His working tools of life were finally laid down on March 4, 1994 at the age of 81. Glen was

born near Atchison, Kansas in 1913. He was taken to the Christian Church as a youngster and later joined the Baptist Church. After graduating from high school, he worked as an engineer's watchman for the Missouri Pacific Railroad before putting on the uniform of the soldier-boy in our United States Army in 1936. Glen was awarded a Silver Star for bravery during the attack on Pearl Harbor and the Scofield Barracks on December 7, 1941. He served in both the Pacific and European theaters during World War II, rising to the rank of Warrant Officer.

After the War, Glen came to Alaska to work for the Fairbanks Exploration Company, or as you Brothers know it as the old F & E Company. He later became employed as a dedicated, devoted worker to the Alaska Road Commission, or to you Brothers, A. R. C. He studied mechanics, welding, and locksmithing, and after his retirement, he founded the G. & C. Locksmithing Company in Fairbanks, which he continued to operate until his death.

Sunset and evening star and one clear call for me.
And, may there be no moaning of the bar, when I put out to sea.
But such a tide as moving seems asleep,
Too full of sound and foam.
When that which drew from out the boundless deep turns again home.
Twilight and evening bell,
And after that the dark.
And may there be no sadness of farewell.
When I embark; For tho' from out our borne of time and place,
The flood may bear me far, I hope to see my Pilot face to face
When I have crossed the bar.

Glen was very active in Masonic Lodge work throughout his life. His Masonic career started in Tanana Lodge No. 162 on March 19, 1952, as an Entered Apprentice. He was passed the degree of a Fellowcraft on November 25, 1952, and raised a Master Mason June 6, 1953 and was entered into the rolls of the Lodge on December 9, 1953.

Glen worked his way through the chairs of Tanana Lodge, becoming a Worshipful Master in 1964 of now Tanana Lodge No.3. He served this Grand Jurisdiction as Grand Master in 1985.

He was coronated a 33rd Degree Mason by the Scottish Rite, a KYCH of the York Rite, a member of the Red Cross Team, Alaska Conclave, charter member and charter secretary of Fairbanks Lodge No. 12—its first secretary; Deputy of the Grand Master for District No. 1, 1972-74, a life member of Maritime Lodge No. 239 in Seattle, Lodge No. 281 in Seattle, a life member of the Grand Lodge of Nebraska, affiliated Past Grand Master of the Grand Lodge of Washington, a member of the National Sojourners, Secretary of the Polaris Chapter, Past Worthy Patron of the Order of the Eastern Star, Past Royal Patron of the Order of Amaranth in Fairbanks, Chapter Dad of DeMolay, Rainbow Dad, Job's Dad, on the boards of the youth organizations and was the president of the Farthest North Shrine Club.

Glen is survived today by Rowena and a daughter Annie Forkner of New Mexico. Although Glen was very active, he was a quiet gentleman and Brother.

In closing this memorial for Glen William Pruett, our Past Grand Master, here is a final prayer.

Let me live, Oh Mighty Master,
Such a life one man should know;
Hasting triumph and disasters,
Joys, but not too much of woe.
Let me run the gauntlet over,
Let me fight and love and laugh;
And, now the he's beneath the clover,
Let this be his epitaph:
Here lies one who took his chances
In this world of busy men.
Battled luck and circumstances,
Fought and fought again.
Won some times,
But, did no wooing,
Lost some times
But, did not wail.
He took his beatings, kept on going,
Never let his courage fail.
He was a full-blown human,
Therefore, loved and understood,
Both by fellow men or women,
Be they good or not so good.
But he kept his spirit undiminished,
Never false to any friend, he played life's game to the finish,
He was our Brother to the end.

Thanks for your kind attention, Brethren. Thank you, Grand Master.

Fraternally,

MW John C. Ingram, PGM

Report of Grand Lecturer

Most Worshipful Grand Master, Distinguished Guests, and Brethren all, it has been an honor to serve this Grand Lodge as Grand Lecturer. To you, Most Worshipful Grand Master, it has been a distinct pleasure to share in the fellowship that has existed among the Grand Lodge officers throughout the year. Your leadership has been an inspiration to use all. The visitations to the Lodges have been well-documented.

Therefore, I should like to dwell on other matters within the purview of the Grand Lecturer. Fortunate indeed is the Lodge that has the type of membership from which he will present himself, or themselves, as being willing to hold office and discharge the duties and responsibilities required. To those, it is wise that the incumbent Lodge leaders encourage them to the fullest extent. There is an excellent book on this subject and it should be in the library of every Lodge. It is *How to Become a Masonic Lodge Officer*, and it is written by Brother H. L. Howard. Although it was last reprinted in 1975, the information contained therein is appropriate and outstanding. It is highly recommended reading to any Brother with an idea of becoming a Lodge officer. Our own Lodge Officers' Handbook is certainly one of the best ever compiled.

Recently, I was observing a Lodge that has very few members attending. The fault lay not with the Master. It lay with the fact that nearly all the members of that Lodge had departed the locality. I found out that he had brought to work for Sojourners. They were practicing for a scheduled first degree. The Deacons and the Junior Steward there were three Sojourners. The Senior Steward was a recently raised Master Mason, but was yet unproved. I might also add that the Junior Warden was a recently made member of that Lodge, although he had prior experience in another Jurisdiction. Upon suggestion, they were provided with the Lodge Officers' Handbook, monitor and ciphers. About three practice sessions later they initiated the candidate. Sure, it wasn't a perfect (not audible), but it was just shy of a 3.5 excellent.

This Lodge Officers' Handbook of ours is filled with the most useful information, not only for the beginning officer but also for the incumbent and past. Check pages 102 and 103: the suggested sequence for learning the ritual. It is an outstanding chapter; a guideline worthy of undertaking and learning by practice and reiteration until the goal of perfect ritual recitation has been accomplished.

The flags should always be done. It is clear from this that I do not recommend any change in the standard work. Grateful should the Lodge be to find in one Brother both ritualistic and administration ability. Although the latter can be greatly assisted by planned classes, particularly in the Code, also, in the Lodge Officers' Handbook. And these study periods should include every member of the Lodge.

Finally, my Brethren, plan for interesting periods of refreshment. Although the bonds of fellowship begin within the tiled recesses of the Lodge, they are surely cemented more solidly in the festive board.

Most Worshipful Grand Master, it has been a distinct pleasure to serve under you in the capacity of Grand Lecturer. In your fourteen-month year, it has been long, but we are justly proud of your accomplishments.

Respectfully submitted,

Milton M. Routzahn.

Due to audio recording problems on the second day of Grand Lodge, no audio recording made of the Report of the Grand Orator and no written report was submitted.

Report of Grand Historian

Most Worshipful Grand Master, Distinguished Guests, Officers, and Members of this Grand Lodge, Brethren all, as we gather for the Thirteenth Grand Communication of the Grand Lodge of Alaska here in Sitka, may our thoughts turn to those Brothers who have gone before us in the 125 years past into history since Masonry was first established in our beloved Alaska here in Sitka, on September 27, 1869. Ours is a proud heritage from the days from the transfer from the great land of Russia to the United States, October 17, 1867. Through the world's greatest gold rush in the days of '98, then the mind-boggling construction of the Al Can Highway at the start of World War II, on to the frustrating and prolonged legislative battle for statehood, through construction of the world's premier petroleum pipeline, never forgetting the many military, clergy, educators, medical, legislators, and builders that were brothers of our Craft who have our great land what it is today.

In order to not lose sight of the grand heritage, an ardent effort is being made to gather all odds and ends, bits and pieces our proud history together and to eventually organize it all into a comprehensive volume of history. To this end, much material has been gathered, through the efforts of past historian, Very Worshipful Brother Paul W. Harvey, "his not made with hands(?) Grand Lodge of Washington into our Grand Brother Very Worshipful William H. Lefferson, who has had the honor to serve with distinction as Grand Historian of both the Grand Lodge of Washington in 1967-68, and Grand Lodge of Alaska, 1983-84, and who continues to be a valuable resource, having established 100 years of Masonry in Alaska, 1868-1968.

I wish to also, at this time, to go on record officially thanking Right Worshipful Brother Dave DeLong, 33rd Secretary of the Valley of Juneau Scottish Rite, for delving into the archives of the Scottish Rite and brought to light very interesting historic facts going back to the 1800s of Masonic activity in the Juneau area of Alaska. As so the utilization of this

material gathered, I respectfully propose that for the present time they be archived in Sitka, where Lodge #18 can offer a secure office, a fireproof file, and a new, large-capacity computer, where all the material may be stored for safe-keeping and future reference through issuance of discs and printouts.

In the interim, a complete index is being prepared for anyone interested. We are fortunate to have recently returned to Sitka for permanent residency, Worshipful Brother Kenneth Creamer, who recently retired from the National Marine and Wildlife Service, and who is computer-friendly and is as enthused about the project as is Most Worshipful John H. Grainger, who is also a historian and publisher, who has graciously offered his expertise in eventually printing a volume on Alaska's place in Masonic history, as soon as he relinquished his jewels of office.

In closing, I wish to extend my gratitude to the many Brothers who have added bits and pieces to the historic picture, and to the Most Worshipful Past Grand Master, Leslie R. Little, and to the Most Worshipful John G. Grainger for appointing me to the office of Grand Historian with the privilege to being able to do this good work that is so dear to my heart. Extending brotherly love and wishes of peace and harmony to all those attending this Thirteenth Session of the Most Worshipful Grand Lodge of Free and Accepted Masons.

Respectfully submitted,

Joe Ashby,
Grand Historian,

Report received for the record.

Charters and Dispensations

To the Most Worshipful Grand Lodge of Free & Accepted Masons of Alaska,

Subject: Tongass Lodge UD.

We the Committee of Charters and Dispensations have reviewed the papers and records submitted by Tongass Lodge UD to secure a charter and thus operate as a chartered Lodge in their Jurisdiction. Unfortunately, a number of discrepancies and errors were noted in the submitted material, including but not limited to the following:

- A. The written proclamation, not the following subsequent dispensation itself, dated September 3, 1993, over the signatures of Most Worshipful John H. Grainger, Grand Master of Masons in Alaska, and as attested by Right Worshipful Richard Bender, Grand Secretary, reads in part: Dispensation to act as a Lodge; to all the Fraternity, Greetings. The third paragraph: "Now therefore, we, by virtue of the power in us vested by the constitution and regulations as one Grand Lodge, and the ancient usages of the

Fraternity, do grant this, one dispensation, the empowering, authorizing, and appointing Brother Christopher Westwood to act as Senior Warden and Brother David T. Alderson to act as Senior Warden, to a Lodge under dispensation to be held under our authority at Ketchikan. Such Lodge to be named Tongass Lodge, etc.” Please note from the above that there is no mention of a Worshipful Master, and the fact that two Senior Wardens were named, when one, of course, should have been listed as Junior Warden.

- B. Lodge bylaws have not been approved, nor were they effective as of 12-31-93. Tongass Lodge UD, seemingly operated without bylaws from its inception, and at least until February 16, 1994, the date of this writing.
- C. The petition for the degrees of Masonry of the first candidate, Mr. Robert Frances Nesvig, Jr., who petitioned Tongass Lodge UD on September 20, 1993, was received in violation of the Alaskan Masonic Code, Section 18.01 of the bylaws, which reads in part:
- D. Prerequisites or initiation conditions under.

A Lodge may not initiate the person except upon his petition, and may not knowingly receive a petition from or initiate a candidate who is less than 21 years old or who has not been an actual resident within the Jurisdiction of the Lodge at least one year preceding the date of such petition. In this connection, Section 18.05 through 18.09 regarding residency was studied.”

According to Mr. Nesvig’s petition, he indicated that he had a 3 1/2 month residency only, which the previous address shown was in Anchorage, Alaska for 1 year and 3 months. This petitioner, who was subsequently elected on 10-22-93, was initiated into Tongass Lodge UD on 11-05-93, clearly in violation of Section 18.01 of the Alaska Masonic Code. The three Masons recommending the petitioner were: the Worshipful Master, Senior Warden, and the Lodge Secretary, all of whom should be knowledgeable on the Alaskan Masonic Code, as this is part of the skill and ability to work under dispensation, or as a Constituent Lodge.

- E. Regarding the stated meeting of 11-26-93: as part of the reported business of that Session, “the Brothers were asked to put the Fez on for the rest of the meeting.” This raises several questions, including the following:
 - 1. Did the members in attendance remove Masonic paraphernalia, aprons, jewels, etc., prior to putting on their fez, or did they wear Masonic paraphernalia at the same time they were wearing the Shrine fez?

2. Were they clothed as Shriners when closing the Lodge? However well-intentioned, the wearing of the fez may have been, it has no place as clothing in a Masonic Lodge during symbolic ritual work or during usual Lodge proceedings such as opening or closing ceremonies, if at all.

Finally, we find the Worshipful Master and Wardens and possibly other members of Tongass Lodge UD remiss in not having made timely filings of all required documentations. In support of their endeavor to obtain a charter for their Lodge UD, as required by Section 13.01 of the bylaws, which reads in part: "Lodges, how formed, duration & condition: such dispensation, together with the bylaws, books, and records, and returns to the Lodge under dispensation, must be returned to the Grand Secretary on or before the 31st day of December preceding the next Annual Communication of the Grand Lodges."

In summary, there appears to be a lack of knowledge of the most basic but most important part of the Alaska Masonic Code, under which they, as a chartered Lodge under this Jurisdiction, would have required and expected to function. It appears that more effort and diligence should be expended in learning, among other things, the laws, rules and regulations so as to meet the requirements to secure a the charter, Section 13.13 of the bylaws.

We, the Committee on Charters and Dispensations regretfully recommend that a charter to operate as a Constituent Lodge in this Jurisdiction, not be approved at this time. Rather, the dispensation to operate as Tongass Lodge UD be continued until the next Annual Communication of this Grand Lodge, the Annual Communication in 1995.

Respectfully submitted,

Charles I. Gregg, Past Master
Gunnar Flygenring.

Report received for the record.

MW Grand Master, the action taken by the Committee was proper under the Code, and they are to be commended for the work that they do, but the Brothers of Tongass Lodge UD have also worked hard to achieve their charter. Therefore, I move that this report be set aside and that the charter be granted immediately for Tongass Lodge UD.

MW Grand Master: It's motioned and seconded and motion carries. I thank you, Brethren. I would like to say that some of the flagrant discretions have been healed and they're looking forward to going ahead with Masonry.

Speeches by Distinguished Guests

Honorable Jack Coghill, Lieutenant Governor State of Alaska

Good morning. All of you folks who are from other Jurisdictions, welcome to our great State and to the beautiful country. We put a little shroud over the mountain this morning; we didn't want to spoil you, but when we get out of the Sessions, I'm sure the beautiful mountains will be out again.

For all of you Brothers and Sisters from Alaska, Greetings. Good morning to you and I thank the Worshipful Grand Master for inviting me to talk to you just briefly this morning and welcome you to your 13th Annual Communication. You know, folks, things are changing, times are changing. We have new technology, we have TV, all kinds and all sorts of things in our society today that detract us from the real work of society, and that is of putting Masonic order in its proper perspective in our lives.

Putting Masonic order and civic duties together in the same sentence today is natural. They go together. But if I put politics and I put the public perspective and Masons in the same sentence now, many look at me strangely, as if the two have nothing in common. Over the years, politicians have become associated with corruption because they don't follow a standard or ethic. They have become dishonest and unethical in their behavior.

Freemasonry, on the other hand, is considered to be moral, to be virtuous, and to be patriotic. Why is there such a difference, why isn't George Washington, the Father of our Nation, the epitome of civic duty for Freemasonry, President Monroe, President Jackson, Polk, Buchanan, Andrew Jackson, Garfield, McKinley, Theodore Roosevelt, Taft, Harding, Franklin Roosevelt, Harry Truman, and Ford were all Masons. There were countless governors and Congressmen and Senators, state legislators and local officials, who have been members of the Masonic order, fully subscribing to the moral principals we pride ourselves in. It comes down to character, folks.

In 1937, a Freemason referred to our gentle craft as an organized association of men, symbolically applying the principals of operative Masonry and architecture to the science and the art of character building. This is still true today. The symbolism can be carried further. It takes skilled craftsmen to build anything of lasting value, including law-making. It is no coincidence that when people write a Bill in the legislature, they call it the crafting of legislation. Although it takes months, sometimes years to build a substantial building, like it does laws, to tear it down takes comparatively only a few moments by a common laborer. This is true of someone's reputation, of a program somebody's trying to start, or even an idea that has been born.

It is far easier to criticize whatever it is that help build upon it. Just as Freemasonry asks us to build our life upon a carefully constructed moral foundation, so too, our society must be built upon a carefully crafted and assembled base. The Constitution is the foundation for all political society, the philosophy of Freemasonry is built into the Federal as well as into the State Constitution.

Our State Preamble reads: “We the people of Alaska, grateful to God and to those who founded our nation and pioneered this great land, in order to secure and transmit to succeeding generations our heritage of political, civil, and religious liberty within the Union of States, do ordain and establish this Constitution for the State of Alaska.” It further says; “We believe in the inherent rights of all persons, have a natural right to life, liberty, and the pursuit of happiness and enjoyment of the rewards of their own industry.” Furthermore, it states that all persons have corresponding obligations to the people and the State. These are mutual tenants, shared philosophies that we hold as truths. A belief in a Supreme Being, a belief that an individual has a responsibility not only to himself but to those around him and the belief in self-determination.

I am proud to be one of the remaining members of the Alaska State Constitution. I served that body in 1955 and 1956. There were 55 of us who met for 75 days and crafted the Constitution for the State of Alaska. It was without a doubt one of the highlights of my life. I can tell you now that the principles of Freemasonry guided many of us and my input into that document. Our Federal Constitution was built much the same way; that individual rights were of the utmost importance. Liberty, freedom were to be delicately balanced within the needs to provide security and order.

It was crafted by some of the most noble men in our history—truly by men of skill. The Constitution has a strong, vibrant life. We are obligated to keep it strong. Current-day society, Brethren, has seen that education of civics, and the foundation of government in schools have been reduced. It seems that too few really know the importance of our Constitution and the foundation that our society was built on. This may be why we are having so many problems in our society today. By getting away from the ideals, those principles that were carefully placed in our founding documents. We’ve lost sight of what really has made this country strong.

The Federal government was a Union of States. It allowed for the individual of each state to be considered. Unfortunately, we are losing those states’ rights today. The Federal system seems to pass laws when they see a new problem instead of beefing up the values—the values of the Constitution. Just like we’ve lost most of our individual rights today, it is because citizens did not live up to their corresponding responsibilities. How quickly we have come to blame our problems on someone else or something else. We have freedom and we must cherish that freedom with responsibility.

That’s what our Order teaches us. We acknowledge a Supreme Being. We acknowledge the need for charity. That is the best when it comes from the individual when charity is accepted when there is a face to it—the face of volunteers—people who really care—and promotes the caring attitude that we must reinstate in our society. Government has tried to take that away from us. They have tried to create a safety net where no one fails. The entity where no one takes responsibility. And, unfortunately, an agency without a face, without the individual care that is badly needed. On the other hand, our Order, Masons, a Brotherhood devoted to charity, crippled children, burn victims, our soldiers, peace, disaster relief, dentistry for the handicapped, scholarships, and many, many more charities—the Brotherhood of Man under the Fatherhood of God.

In Alaska we have 18 Lodges and over 2,000 members. Let us continue to support our Fraternal Organizations in not only words but especially through deeds. Let us let the public know that we are a caring organization. Let us sing our historical virtues from the hilltops and then, perhaps, in the not-too-distant future we will again here the words “Masons” and the politics of government service in the same sense. They will sound like they belong together.

Thank you very much for letting me visit with you this morning and share some of my thoughts, and please have a great, great Communication.

MW John C. Ingram, PGM Response to Alaska’s Past Grand Masters

Thank you, Grand Master, Brethren one and all. You know, by day our numbers lessen, year by year they slip away to that far-off land so distant; to a realm of yesterday. Some have left us in the morning; some at noontime made their flight; some in the twilight evening shadows; some in the darkness of the night. I will miss them, yes we’ll miss them—Mr. Handclasp, Mr. Cheer, Mr. Smiling Face of Welcome that we knew while they were here.

Most Worshipful Sir, Right Worshipful Sirs, Brethren one and all, thank you very much for the fine, kind words to the Past Grand Masters of this Grand Jurisdiction. It is a distinct privilege and an honor to speak on behalf of these distinguished Brethren.

Thank you, Most Worshipful Grand Master, John H. Grainger for the courtesies extended to us through this year. We have served the Craft to the best of our abilities, but the Craft and you, my Brethren, have paid us ten-fold for everything that we have done. And so today we say “Thank you, thank you very much.”

We feel we owe the Craft more than when we were elected to the office of Grand Master We all received more than expected. Our debt can never be repaid. We have endeavored to serve this Grand Lodge to the best of our ability, each in his own way. I know these past Grand Masters personally, and we have served on Committees. And I know foremost in our minds is the betterment of the Grand Lodge.

We are pledging to our Grand Master and all the Brethren wherever dispersed, every bit of energy, every bit of ability, and everything that we have to make a more successful year. That is the spirit of these Past Grand Masters, and I’ll stand before you. We are grateful for the opportunity of service. After all, the thing that is most important in life is being able to serve, and there is nothing that gives more satisfaction than to be constructive help somewhere along the line.

We hear a lot of problems about the problems we having in Masonry these days and the difficulties here and there. You know, whenever there is a problem, it seems to me that it comes right back to us to ask ourselves the question, “Are we part of the problem or are we

part of the answer?" These Past Grand Masters want to part of the answer, not a part of the problem. And we're all so delighted at having had the opportunity of service.

We thank you for having given us an opportunity to serve you and those who have gone before and we hope we can go right on along serving to the end. Thank you, my Brethren for your generous welcome.

Response received for the record.

MW Ralph Kavorkian, PGM Response to Grand Representatives

Most Worshipful Grand Master, Distinguished East and Brethren all, it's indeed a pleasure to be recognized as a Grand Representative from a Jurisdiction other than our own. Many of us have traveled to our respective Lodges outside this Jurisdiction and became members of those Lodges. As an example, I go to Alabama every November and I go to Michigan—I don't go to Grand Lodge in Michigan, but when I go to Michigan, I visit Lodges. I meet a lot of Masonic friends away from this Jurisdiction. You talk about the time and effort that we as Representatives put in, you can't measure the Masonic good feeling and good will that we experience in our daily contacts with these Brethren away from our home. We thank you for allowing us to be your Representatives. Thank you, Grand Master.

MW Ken Robinson, Grand Master of Washington

Most Worshipful Sir, the Brethren of the Alaska Grand Lodge, fellow guests, it's indeed a pleasure for me to be here this afternoon and be able to attend this Grand Lodge. I think this is about my fourth or fifth time here and it's always a pleasure to come to Alaska and to make some new acquaintances and renew some old acquaintances and just have good fellowship and enjoy a great time.

The Washington Masons and the Alaska Masons have always had a good, close relationship and we cherish that and we certainly hope that relationship will continue forever because it is one of friendship and brotherly love and we certainly appreciate the opportunity.

On Saturday we have a special opportunity, I think, when we all go to Ketchikan. We have the privilege of jointly conducting a cornerstone for a new high school and I know the Brethren in Ketchikan have been working very hard on this to make it come about and it's going to truly be a joy for us to be able to work with our Brethren from the Grand Lodge of Alaska as well as the Ketchikan Lodge and Tongass Lodge, presently under dispensation, to put on this cornerstone And then we also have the great pleasure of all attending the constitution of Tongass Lodge and the celebration that will follow after that. We're really looking forward to that.

The plans have been in work for a long time and we're really waiting for that day when we can enjoy the hospitality and friendship of our Brethren in Ketchikan. You know, the reason these events are so important to me is because it's an opportunity for Freemasons on a couple of occasions now to be able to present ourselves to the public and to let them know and understand a little bit more about us. Really, the only secrets of Freemasonry, I think, are those right here in our hearts, where we have that common feeling and knowledge that we all belong to an organization that has as its tenant brotherly love, relief, and truth. When we have an opportunity to let the general public know about us and what we stand for, it's an opportunity that we can't pass up.

There is no question in my mind that the principles and the morals of Freemasonry are needed more in our nation today than perhaps they ever have been. Things that you read in the newspaper about crime and all the problems that exist—if everyone were able to practice the principles of Freemasonry, in which we believe, our country and our world would certainly be a better place in which to live. So, I look upon these opportunities as ones where we can take full advantage and let the Brethren and the non-Masons and any interested people in Ketchikan on Saturday have an opportunity to find out just a little more about our Fraternity and what we stand for.

Most Worshipful Sir, it's truly been a pleasure for us to be here. I thank you and the Brethren of the Grand Lodge of Alaska for the hospitality and the courtesies that you've shown to my wife, Charlene and me, and I can guarantee that we'll be back. Thank you very much.

MW Warren Blomseth, Grand Master of California

(Taken from transcription of the tape recording of the proceedings.)

Most Worshipful Sir and members of the Grand Lodge of Alaska, I hope I can get through; my voice has been giving me fits ever since Friday. I'll try and see what I can do. I certainly would like, first of all, to thank this Grand Lodge and your Most Worshipful Grand Master for the hospitality extended to me and the privilege of being able to address you and share some thoughts with you and this, your Thirteenth Annual Communication.

This year in California, I've asked my Brethren to concentrate their efforts upon three programs and three programs only. Junior and Senior Wardens' Retreats, the Tournament of Roses Parade Float, and the development of a good, solid membership program of the auspices of the Renewal Committee. Let me tell you, the first program is an unqualified success, and I recommended, I committed, in fact, to all of the Grand Lodges in the United States, and I know that many of the Grand Lodges are in fact starting their own program very similar to our Retreat program. ... (break in tape.)

... (break in tape)... I'm so pleased that we have a small reserve built up, enough so we can kick off the float with some assurance that we're going to pay for it by the end of the year. There is support for the float; I think you need to know, from four major sources.

From Grand Lodges other than California the support has been over the last two years in the range of very close to 20%. Concordant and Attendant Bodies have supported the float with 36 or 37% over that same two year period. California Lodges and their members, some 34%, which is somewhat deceiving in that all the fund raising activities seem to center pretty much in the state of California, so that accounts for another 33 or 34%.

The thing that's great about the float, and what I like to share as I travel, is the fact that we have no labor of any kind whatsoever to decorate our floats, because that is done by the Youth Groups, the Job's Daughters, the Rainbow and DeMolay, who show up in unbelievable numbers every December to decorate the Freemasonry float. They do every bit of decoration on our float; they glue or place all the flowers, the seeds, the dried leaves. I must tell you that's a labor-intensive activity, and they do all of that work at no cost. This last year on a single day, we had 800 of the youth show up to decorate our float.

Obviously, we couldn't use that many, so we were able to 'farm them out,' if you will, to other float builders in the same area. They are so much in demand because they do such a great job and are so much fun to work with. They are highly valued for their quality work.

The third program membership is just getting underway here in California; I will suspect we will see some major results by the middle of the year.

The other thing I thought you might be interested in is the status of the earthquake relief fund. It was intended for the relief of those Brethren who suffered losses and Lodge structure damage in the earthquake of January 17, most often referred to as "Northwards" earthquake, although extensive damage was done in such areas as Santa Monica. Although the funds are coming in slowly, we do have now available for distribution some \$160,000. We had a starting balance in the Grand Master's Disaster Relief Fund of \$36,000; we received \$97,000 out of state or other Grand Lodges and all California Lodges, so far, have contributed some \$27-28,000. For some reason, the money from California Lodges seems to be coming in slower, although in one full week, that was before I left the Grand Lodge office, some \$6,000 came in.

The scope of the damage is still hard to assess, but appears the damage will be in the range of \$1 million that will not be covered by insurance at any time. I know some of the Temples are fortunate enough to have reserves to cover their damage. A few Temples are owned by Lodges which have substantial reserves and can perhaps cover the cost, but many of them will have to go deeply into debt, if indeed they can go as far as they can go.

Santa Monica is probably a perfect example of God giving you a double dose of what you didn't need; they just finished spending thousands and thousands of dollars to redo their Temple, meeting all the current Codes with regard to the earthquake requirements, and still on that day, way down there, almost to the ocean, one full side of that building

simply collapsed and went down. In spite of the doweling and all the work they'd done and the tiling and the "what not."

I do appreciate the support of the Grand Lodge of Alaska and all the Lodges. We share this great Pacific Coast area, where we all know it has a tendency to shake and quake on occasion. Therefore, I think we understand the impact that has upon each one of us. This year I doubt the policy of delivering a very short, three-minute, what I call a bullet, message, whenever the opportunity afforded me. One of these that I've prepared seems so appropriate for this Grand Lodge that I'd like to share it with you.

The topic of this particular message has to do with travel. I think of myself as one who does a great deal of traveling as I cover the Jurisdictions of California. But from border to border, it's about 800 miles, so I make no dent in the record that is set by your Grand Masters as they travel across the length and breadth of your state, noting that you have some 2,100 miles that can go from border to border in an arc. We in the family of Freemasonry, we often speak of traveling; the term used to convey the process of advancement in the Degrees of Craft Lodges. As we take our first, second and third degrees, we refer to the process as one of having "traveled." Traveled, really, from degree to degree.

As we have traveled, we have traveled to improve ourselves, to learn more, to further develop our personal values, and yes, to shape our character. It is a well-known and accepted fact that learning is a part of traveling and traveling is a part of learning. I would ask that each of you focus your thoughts upon travel as used in Freemasonry, as I close my brief remarks and share a quotation from the pen from Brother Mark Twain.

You might be interested to know that 1994 marks the 110 anniversary of Mark Twain's *Huckleberry Finn*. Mark Twain said this: Travel is fatal to prejudices, bigotry and narrow-mindedness. Many people need it sorely. When one travels, broad, wholesome, charitable views cannot be acquired by vegetation in one's little corner of the earth. Now you know why good men join together to travel the path of Freemasonry, and we, you, this Grand Lodge, are celebrating this Annual Communication, and why so many of us travel great, great distances to join and to be with one another. Travel is what Freemasonry is all about, for travel is fatal to prejudice, bigotry, and narrow-mindedness; when one travels, broad, wholesome, charitable views are acquired.

Thank you, and may God continue to bless you in your travels this day and every day that follows. Thank you very much.

RW Alexander Reid, Junior Grand Warden of British Columbia

Most Worshipful Grand Master, Distinguished East, and Brethren all, I bring you greetings from Most Worshipful C. Grant Wardlaw, the Most Worshipful Grand Master of British Columbia. Most Worshipful Grand Master, I would like to thank you, the Brethren of the Grand Lodge of Alaska, and the people of Alaska for the courtesies

extended to my wife, Muriel, and I since we have been her. We will be back again - blessed with your good weather.

Brethren, in British Columbia we have what we call the Cancer Car Project. This was started about five years ago under the direction of Most Worshipful Brother Dennis Marsh. This has been an outstanding success. In 1996, this plan is going to be moved up to the Okanogan area of British Columbia with the opening of a new cancer clinic there. This program is not only supported by Freemasons, it is supported by firemen, realtors, and anyone who wants to drive the cancer van for the Grand Lodge of British Columbia.

We have a pilot project coming up at the end of this month which seems to be going well in California and well in Washington State; this is our Wardens' Retreat. This is being held for the first time in British Columbia and is being held on Vancouver Island. By the great geographic location there, we hope that all 33 Lodges will be represented by the Wardens. Our Deputy Grand Master and Senior Grand Warden were in Washington State last month and were really impressed with the program they had there. We hope it's going to be a success.

Recently, Brethren, I made a trip to Scotland and I attended the Grand Lodge Assembly there and there were 1,500 members of the Grand Lodge of Scotland in attendance. It was a spectacle to watch. While, I brought this little poem back; I hope you can understand, with my accent, how it applies to Masonry. Here is to you and yours. Not forgetting us and ours; and we hope that when you and yours come to visit us and ours that us and ours will be as kind to you and yours as you and yours have been to us and ours where us and ours visited you and yours. Did you get it, Brethren?

Thank you, Most Worshipful Grand Master for allowing me to address this assembly

VW Mitch Miller, Response to introduction of District Deputies

Most Worshipful Grand Master, Grand Lodge Officers, Distinguished guests and Brethren one and all, on behalf of the District Deputies, we thank you for the privilege of serving you and the Grand Lodge. It has been our pleasure to serve and work with you. One year ago, there were no thoughts about Masonry in Russia from Alaska. Because of your efforts, this may someday become a reality instead of just a thing that is talked about but never comes to be. You have strived, not only to move Masonry forward in Alaska, but to expand it. You have worked to improve Masonry and the Grand Lodge.

The results of the silent auction will not be known until after this Session is closed, but will be reflected in the future. Masonry in Alaska is well and alive, thanks to your efforts and the works of your Grand Lodge officers. You have worked towards the goals of peace and unity within our Grand Jurisdiction. Your efforts are appreciated, and it has been our pleasure to serve and assist in these efforts. We thank you for this privilege.

RW Guy Kornfeld, Grand Inspecteur General, Grand Loge Nationale Francaise

Most Worshipful Grand Master, may I present to you the most (*garbled*) greetings of the Most Worshipful Brother Claude Chavigneau(?), Grand Master of the Grand Lodge Nationale Francaise, and of the Right Most Worshipful Brother Yves Prestonelle(?), Deputy Grand Master of Honor and Grand Secretary. I will tell the Grand Master how the Fraternity and the family I was met by the Grand Lodge of Alaska and all the Brothers. I took the opportunity of the occasion to present to you, Most Worshipful Grand Master, my most respectful greetings. Thank you. (*In French*)

Right now I would like to speak a little about the problem that faces all of us, both here in America and in France—everywhere, and in particular, a problem that faces the Grand National Lodge of France and the Grand Lodge of Alaska. My presentation will be brief as to what concerns my experiences with the subject which I will speak about. The Grand Lodge Nationale Francaise has at present established six Masonic Lodges in Russia. At the present there are between 50 and 60 Masonic Brothers in Russia. To this point we have a large amount of money and we are not at present certain of the results that we will reap. But we do have great confidence in the Great Architect of the Universe that one day we will be able to realize a Grand Lodge of Russia.

I understand very much the generosity and intentions of the Grand Master of the Grand Lodge of Alaska, as he hopes to someday realize a Grand Lodge of Russia. My simple recommendation to all Brothers is to be prudent and careful as to what you might expect in initiating Russians into Freemasonry. The best way for you to accomplish is to initiate Russians into Lodges in Alaska. Then it will follow they will go into Russia and open their own Lodges in Russia. In the meantime, we in the Grand Lodge Nationale Francaise will continue to try to open Lodges in Russia, and if we can assist you or in any way, shape or form, we will continue to be available to do so.

I extend my Grand Master's availability to you, Most Worshipful John Grainger, to accomplish what you are trying to accomplish. Thank you very much for allowing me to speak on this subject. Thank you for being so kind, so generous. I assure you that this is not my last trip to Alaska

RW Thomas Mickey, PDDGM, Grand Lodge of British Columbia

Most Worshipful Grand Master, Brethren all, had I known you were going to do this to me, I would have probably been out in the hall. Anyway, it's a pleasure to be here again, Most Worshipful Grand Master, and the weather that you arranged in Sitka is absolutely tremendous. I understand it's like this all the time, all the year round here, and if that's the case, we're certainly going to come back. We have enjoyed all the courtesies extended here and wish you well with the rest of your Session. Thank you.

MW Francis Hess, Past Grand Master of Montana

Most Worshipful Grand Master, Distinguished East, Distinguished Visitors, and my Alaska Brethren all, it is a pleasure to be back to my Grand Lodge in Alaska. I enjoy it every time I come. In spite of everything, I do learn some things every once in a while when I come. I would like to leave one thought with you. We've been making so-called changes to Masonry because we've wanted to get more membership. It was about ten years ago that the good Masons in Montana decided that by lowering the age for petitioning Lodge to 19, we would just be overwhelmed with candidates.

Well, last year, the Grand Secretary went through the records and in the last eight years or nine years, the 19, 20, and 21 year old petitioners amounted to 4% of the petitions we received. So, we really had a great influx of Masonry by lowering our standards to 19. We also adopted this new "Nebraska Version" of proficiency. In my Lodge we had four candidates after that was adopted, and two of the candidates chose to go the old way and learn all of the catechism for the proficiency. The other two chose the short form. It is interesting to note that the two young men who decided to learn it the way the rest of us had, are now officers of their Lodge and the other two very seldom even show up for a meeting. That might tell us something...I don't know.

But Most Worshipful Sir, I want to thank you for the courtesies extended to me. I am sorry that my bride couldn't come with me, but she did say to tell all the good Masons of Alaska hello for her. We hope to both be in Anchorage next year. Thank you.

RW James G. Kenagy, Grand Lecturer, Grand Lodge of Illinois

Most Worshipful Grand Master, Grand Lodge officers, Distinguished Guests in the East, Brethren all, I bring you greetings first of all from our Grand Master of Illinois, L. Wayne Blair. He has done a very fine job and we have a very upbeat program in Illinois.

We are working diligently with the drug and alcohol abuse program, and it is showing great strides in its improvement. We have some teachers who have been instructed in how to determine if the children are using drugs or alcohol in the schools, and we find that it goes down even into the 3rd, 4th and 5th grades. They can now determine through the observance of the children whether these problems exist and are able to get them help. Each year, it improves and improves and improves.

We also have a thing that we are very proud of in Illinois, called the Masonic Academic Bowl. It follows the old G.E. College Bowl that you used to see on TV. We encourage our high school youngsters to participate in this Masonic Bowl. We now have the high school teachers prepare the questions; it's done on a one-day basis throughout the state. We had over 220 schools that participated this past two weeks ago. We had our first round—we do have our district round, and of course, our state round and the winners of the state are recognized at our Grand Lodges Session in October.

I have a little personal thing that I usually comment on when I am offered the opportunity, Most Worshipful Grand Master. I have had some wonderful associations in Masonry, and as we progress through life, and I've progressed through more than I wish that I had. I have a son who is retired from the Air Force and he is a Mason. This son, I have enjoyed immensely because through him and through our Masonic endeavors and teachings, I have learned that maybe we are not as macho as some of think we are. Sometimes we put a shell around ourselves and decide no one can come within that shell because we don't want to give of ourselves.

My son and I embrace. I think this is one of the greatest things that could ever be. My grandsons—and I have four of them, two 18, one 22, one 19—we embrace...and I am so proud of this. I wonder how many here have embraced your sons and sincerely meant it. What a wonderful feeling, my Brethren. I hope each of you can enjoy it. My father died two years ago and previous to his passing, in November, he passed away in January, I was to the Lodge in my home town to give a small talk. During the course of this, I again touched upon this same subject. As I left my father that day in November, and I live some 400 miles from him (not far by Alaska terms), I embraced my father. It was very hard for my dad to accept that, but he was proud of it, and it was the last opportunity I would ever have. I would not have missed that for the world.

So, as I leave here today, maybe each of you can resolve not to miss an opportunity to embrace your son, your father, or each as you see here, my Brothers. We're all family. This is a great meeting, and I thank you very much Most Worshipful Grand Master for this opportunity to address your Grand Lodge.

Due to audio recording problems on the second day of Grand Lodge, no audio recording made of any additional Remarks and Speeches of the distinguished guests.

Individuals present:

Trial Committee	Accuser & Counsel
W Thomas K. Black, Chairman.	Bro. Stanley O. Smith
W Philip A. Ambrose	W James T. Ables
Brother. Harry A. Odden	
	Accused & Counsel
Prosecutor	VW Peter E. Nilles
W Philip S. Lee	Brother Michael D. Corey

Masonic Temple in Anchorage, Alaska on October 16, 1993.

This Meeting of the Trial Committee of Aurora Lodge No. 15 was called to receive evidence in the charges of Un-Masonic Conduct filed against VW Bro. Peter E. Nilles. The meeting was called to order at 9:00 a.m. and then recessed until all members were present. Following the arrival of all parties, Chairman Black opened the meeting at 9:18. He excused all non-members of the Trial Committee for a brief meeting on procedure.

The Trial Committee then invited MW James A. Williams (3) into the meeting. MW Brother Williams wished to attend the meeting but the Trial Committee denied his request for attendance under Section 30.08 of the Alaska Masonic Code. Discussion followed regarding whether or not this was an actual Trial. The Trial Committee ruled that MW Brother Williams was not entitled to attend this meeting and was excused.

All participants were invited back into the room. A resolution submitted on Oct. 13, 1993 at a pre-trial meeting was distributed to all parties present. Chairman Black asked the accused and his counsel, the accuser and his counsel, the Prosecutor, and all members of the Trial Committee if they had read, agreed to, and signed the agreement. All parties answered in the affirmative.

Chairman Black asked if anyone had anything to add for the Good of the Order. Bro. Corey thanked the Trial Committee for the cooperation of all parties to accept this agreement. W Brother Ables also thanked all parties for their willingness to finalize this agreement. W Brother Lee also thanked the Trial Committee for their work.

Chairman Black then asked the members of the Trial Committee for a motion to receive the agreement and to recommend to Aurora Lodge No. 15, at their next Stated Communication, that the charges against VW Brother Nilles be withdrawn. Brother Odden so moved and W Brother Ambrose seconded the motion. The Trial Committee

then voted to accept the agreement and to make appropriate recommendations to Aurora Lodge No. 15 that the matter is now closed.

This meeting of the Aurora Lodge No. 15 Trial Committee was adjourned at 9:40 a.m., peace and harmony prevailing.

Respectfully submitted

Richard D. Bender
Acting Secretary
